

National American University's Kansas City Locations Participate in the 46th Annual Kansas City St. Patrick's Day Parade March 17, 2018

Staff from National American University's Kansas City-area locations (Overland Park, Lee's Summit, Independence and Zona Rosa) had fun participating in area's 46th annual St. Patrick's Day Parade this year.

According to one source, the Kansas City St. Patrick's Day Parade is the 6th largest in the country, which is saying a lot since when it was also, in 1891, called the world's shortest and worst parade (Midtown KC Post, March 17, 2014). NAU, with such a strong presence in the Kansas City-area, was proud to be part of this year's festivities.
